2. Options

2.1 Option Plan

The Board may, from time to time, determine who is entitled to participate in the Option Plan and may issue invitations to apply for the grant of Options to the Executive or a Relative or Associate nominated by the Executive.

On issue of invitations to apply for Options, the Company must send the Executive an Application which must be signed by the Executive (hereafter called the **Optionholder**) and returned to the Company within 5 Business Days.

On the Company receiving the signed Application, the Company must grant the relevant number of Options to the Optionholder and issue the Optionholder with an Option Certificate.

2.2 Option Entitlement

Each Option gives the Optionholder the right to subscribe for 1 Ordinary Share at the Exercise Price.

2.3 Option Period

- (a) Each Option expires at 5.00pm on the Expiry Date.
- (b) Options automatically lapse if not exercised before expiry.

2.4 Option Exercise

- (a) Not before the Vesting Date and subject to any restrictions imposed under Rule 3, the Optionholder may exercise some or all Options. The Optionholder may only exercise Options by lodging with the Company during the Exercise Period:
 - (i) the Option Certificate;
 - (ii) a duly completed and signed Exercise Notice; and
 - (iii) the subscription monies for the relevant Ordinary Shares being, subject to these Rules, the number of Options exercised multiplied by the Exercise Price.
- (b) On allotment and issue to the Optionholder of the Ordinary Shares specified in an Exercise Notice, the Option Certificate lodged with the Company by the Optionholder under Rule 2.4(a) must:
 - (i) if all the Outstanding Options have been exercised, be cancelled by the Company; and
 - (ii) if only some of the Outstanding Options have been exercised, be appropriately endorsed by the Company and then returned to the Optionholder or cancelled and a new certificate for the remaining Options issued to the Optionholder.

2.5 Option Allotment Date

The Company must allot and issue to the Optionholder the number of Ordinary Shares which corresponds with the number of Options specified in the Exercise Notice on or before the date of the next Board meeting following the valid exercise of Options and in any event not later than 15 Business Days after the date of exercise of the Options.

2.6 Option Assignment

The Optionholder cannot assign Options or any interest or right in respect of those Options. This does not prevent the exercise of the Options by the estate of a deceased Optionholder.

3. Exercise Restrictions

- (a) The Options may be subject to such other restrictions on exercise as may be fixed by the Board prior to grant of the Options including, without limitation, length of service by the Executive with the Group and threshold prices at which Ordinary Shares in the

Company are traded on the Australian Securities Exchange Limited. Any restrictions so imposed by the Board must be set out on the Option Certificate.

- (b) The Board may in its absolute discretion, waive satisfaction of restrictions on exercise fixed under Rule 3(a) either unconditionally or subject to compliance with any other exercise restriction that is less onerous than that previously fixed.

4. Adjustment to Number of Outstanding Options

Any adjustment to the number of Outstanding Options under a reorganisation of the Company's share capital must be made in accordance with the Listing Rules.

5. Adjustments to Exercise Price

Any adjustment to the Exercise Price under a reorganisation of the Company's share capital must be made in accordance with the Listing Rules.

6. Bonus and Cash Issues

- (a) On a Bonus Date which occurs after the Vesting Date, each Option immediately confers on the Optionholder the right:
 - (i) to receive on exercise of those Outstanding Options not only the allotment of 1 Ordinary Share for each of the Outstanding Options exercised but also an allotment or issue of such additional shares or other securities as if the Optionholder participated in that bonus issue in respect of a holding of Ordinary Shares of a number equal to the Ordinary Shares that would have been allotted to the Optionholder had he or she exercised those Outstanding Options immediately before that Bonus Date; and
 - (ii) to have profits or reserves, as the case may be, applied in paying up in full those additional shares or other securities.
- (b) Other than as allowed under Rule 6(a), the Options do not entitle the Optionholder to participate in any new issue of securities of the Company or any other company, except in the capacity as a shareholder following exercise of the Options.

7. Pari Passu Ranking

- (a) Subject to Rule 7(b), any Ordinary Shares allotted pursuant to Options will:
 - (i) in the case of the Ordinary Shares originally under option, rank pari passu in all respects with other ordinary shares of the Company on issue at the relevant Exercise Date; and
 - (ii) in the case of any additional shares or other securities under option by virtue of any bonus issue referred to in Rule 10, rank pari passu with the other shares or other securities issued by virtue of the bonus issue.
- (b) The Company must apply for official quotation on the Australian Securities Exchange Limited of Ordinary Shares allotted and issued pursuant to the exercise of any Options as soon as practicable after allotment and issue and in any event within 10 Business Days after allotment and issue.

8. Participation in new issues of underlying securities

Notwithstanding anything else in this Plan, the Options will not grant the Optionholder an entitlement to participate in a new issue of Ordinary Shares until such time as the Options have been exercised.

9. Takeover and Winding up

- (a) If a takeover bid causes or is likely to cause a change in control of the Company, the Board has the discretion to give Optionholders an immediate right to exercise their Options. This discretion may only be exercised to ensure, where possible, that Optionholders are able to exercise the Outstanding Options within the time available to accept the takeover offer.
- (b) If notice is duly given of a general meeting at which a resolution will be proposed for the voluntary winding-up of the Company, every Outstanding Option will be exercisable (but so that any exercise under this Rule 8(b) will only be valid if, at the time of such resolution being passed, that Option would not have lapsed under any of the other Rules) at any time between the date of the notice and the date the resolution is duly passed or defeated or the meeting concluded or adjourned indefinitely, whichever occurs first. If such resolution is duly passed all Options will, to the extent that they have not been exercised, immediately lapse.

10. Stamp Duty

Any stamp duty payable on the issue and allotment of Ordinary Shares acquired on the exercise of the Options must be borne by the allottee of the Ordinary Shares.

11. Option Cancellation

Unless otherwise determined by the Board, an Option issued to an Optionholder in respect of an Executive will expire on the earlier of the following:

- (a) the date shown as the Expiry Date on the face of the Option Certificate;
- (b) the date that the Executive is dismissed by the Company or a Related Body Corporate for fraud, defalcation or misconduct;
- (c) the date that the Executive resigns from the service of the Company or a Related Body Corporate, if the Executive resigns within 2 years after the Grant Date;
- (d) the date 7 days after the Executive resigns from the service of the Company or a Related Body Corporate, if the Executive resigns more than 2 years after the Grant Date;
- (e) the date 3 months after the Executive is retrenched from the service of the Company or a Related Body Corporate;
- (f) the date 1 year after the death or total and permanent disability (evidenced to the satisfaction of the Board) of the Executive.

12. Limit on Capital

- (a) Subject to Rules 11(b) and 11(c), the number of Shares underlying the Options granted under this Plan when aggregated with:

- (i) the number of Ordinary Shares that would be issued if all options granted under all employee share option plans of the Company were exercised; and
 - (ii) the number of Ordinary Shares issued by the Company during the preceding 5 years under any employee share plan and employee share option plan, must not exceed 5% of the issued Ordinary Shares at the time of grant of the Options.
- (b) Ordinary Shares or Options that may be issued without the need to issue a disclosure document in accordance with Section 708 of the Corporations Act (for example, issues to an Executive) will be excluded from the calculation of the number of Options granted to employees under existing plans under Rule 15(a).
- (c) Rule 11(a) does not restrict the Company from granting Options under this Plan where a prospectus has been lodged with the Australian Securities and Investments Commission in respect of the grant of those Options.

13. ASIC Requirements

The Company must use its reasonable endeavours to satisfy the conditions imposed by the Australian Securities and Investments Commission from time to time in a class order or exemption from or modification to the requirements of the Corporations Act relieving the Company from the obligation to lodge a prospectus in accordance with Chapter 6D of the Corporations Act.

14. Termination of the Plan

The Plan terminates on whichever first occurs of the following:

- (a) an order being made or an effective resolution being passed for the winding up of the Company other than for the purpose of amalgamation or reconstruction; or
- (b) the Company determining, in its discretion, that the Plan be wound up.
